What is Christ Renews His Parish?

Christ Renews His Parish (CRHP, pronounced "chirp") is a spiritual renewal experience that brings adults together in small groups to deepen their relationship with Jesus and each other. It is not like any retreat you have ever experienced. You are invited to take time out to discover, in a relaxed and casual atmosphere, how to connect more deeply your Catholic faith with your daily life.

Why should I attend?

We are all too busy; it is easy to get caught up in the worldly aspects of our life so that we sometimes forget that we also have a spiritual life. Just as you take a vacation to refresh your mental and physical self, our spiritual life needs an occasional revitalization so that we can refocus on Christ, and our relationship with Jesus. CRHP is the place to do just that!

What happens during the weekend?

Come prepared to have fun, meet new friends, and renew your heart. You will listen to a number of personal stories in which your fellow parishioners share their faith journey with you, and how Christ has acted in their life. Group discussion and response follow each presentation. You are free to share as much or as little as you feel comfortable. You will always be respected. The sharing dialogue is stimulated in a very liturgical, scriptural, and prayerful atmosphere. Opportunities for Scripture sharing, Reconciliation, and Eucharist are provided during the weekend.

Who can participate?

Any Parishioner of IHM over the age of 18 may join us. New parishioners are especially encouraged to attend. CRHP is for anyone seeking spiritual renewal, desiring to build the Body of Christ, or gain a deeper sense of purpose within our IHM community.
